VOTING THROUGH ELECTRONIC MEANS

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using e-voting system on the date of the AGM will be provided by CDSL.

The facility for voting through ballot/polling paper shall also be made available at the venue of the 28th Annual General Meeting. The members attending the Meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting. The members who have already cast their vote through remote E-voting may attend the meeting but shall not be entitled to cast their vote again at the AGM.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING :

Step1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, September 26, 2022 (9.00 AM) and ends on Wednesday, September 28, 2022(5.00 PM). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:**

Management Discussions and analysis forming part of Directors' Report

The Management of Inani Marbles & Industries Limited is pleased to present the following Management Discussion and Analysis Report which contains a brief write-up on the industry structure, opportunities and concerns, performance of the company with respect to the operations other information. This chapter on Management Discussion and Analysis forms a part of the compliance report on Corporate Governance.

Economic Overview:

Global Economy

Although the global economy is progressively improving, the possibility of persistent inflation persists. The recovery has been supported by increased vaccine distribution across the world, however it has been uneven. The conflict in Ukraine has generated an expensive humanitarian disaster that must be resolved peacefully. At the same time, the conflict's economic consequences will cause a considerable slowdown in global economy in 2022, as well as an increase in inflation and supply chain disruptions. Fuel and food prices have risen significantly, disproportionately affecting disadvantaged populations in the low-income nations.

Inflation predictions for 2022 are 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies, respectively, 1.8 and 2.8 percentage points higher than that anticipated in January.

Global growth is expected to drop from 6.1 percent in 2021 to 3.6 percent in 2022 and 2023, according to projections. This is 0.8 and 0.2 percentage points lower than the January projections for 2022 and 2023, respectively. Over the medium run, global growth is expected to slow to around 3.3 percent after 2023. Multilateral measures are critical in responding to the humanitarian crisis, preventing further economic fragmentation, maintaining global liquidity, managing financial distress, combating climate change, and ending the pandemic.

Indian Economy and Industry Overview

India's economy is poised for a rebound after enduring a second wave of COVID-19 infections this year that further constrained activity and took a heavy toll on its people.

India's broad range of fiscal, monetary and health responses to the crisis supported its recovery and, along with economic reforms, are helping to mitigate a longer-lasting adverse impact of the crisis.

The overall, sharp rebound and recovery of the economy is reflective of India's strong resilience. India's economic growth in the current year is estimated to be 9.2 per cent, highest among all large economies.

Industry Structure and Development

Real Estate sector and consumer confidence witnessed a complete turnaround with signs of economic stabilization and moderate growth in global economic performance. Property markets in India began to exhibit signs of revival during this time with the return of liquidity in the real estate sector and firm prices in the recent months, cash flows of realty players improved resulting in renewed construction of stalled projects and a few new launches as well. Clearly we believe that we are entering and exciting new phase of development. We are fully geared to take advantage of the buoyant real estate demand which will generate a huge demand for the company's products.

Emerging out of the world economic crisis with only minor bruises, the industry is poised to enter a growth phase and is on the threshold of a major transformation. In terms of demand, Marble, Granite, Tiles & Stones and quartz slab Industry is fortunately placed and this should spur its growth.

The overall business outlook for the company is promising with improvement in overall economic environment. Efforts towards higher operational efficiencies shall continue. The company continues to examine the possibilities of expansion and shall make the necessary investments when attractive opportunities arise.

Threats and Risk Management

The nature of company's business is such that various risks have to be confronted with not only to successfully exist in the said business but even to grow at a respectable pace. However, these risks are no different than the ones faced by the industry as a whole. A comprehensive and integrated risk management framework forms the basis of all the de-risking efforts of the company. Formal reporting and control mechanisms ensure timely information availability and facilitate proactive risk management. These mechanisms are designed to cascade down to the level of the managers so that risks at the transactional level are identified and steps are taken towards mitigation in a decentralized fashion.

Internal Control Systems and their adequacy

The company strongly believes that Internal Control Systems are necessary for good Corporate Governance and that the freedom of management should be implemented through the framework of proper checks and balances.

The Company has in place an effective system of internal controls to ensure that all assets are properly safeguarded and protected and used optimally and financial transactions are reported accurately. The Audit committee and the Board of Directors review the adequacy and the effectiveness of the internal controls at periodic intervals. For better governance the company is in the process of introducing internal audit system.

Human Resources

The Company considers the quality of its human resources to be its most important asset and places great emphasis on training and development of employees at all levels. Communication exercises are treated as

continues process to keep the employees informed of the challenges being faced by the Company and also motivate them to take up higher responsibilities, in tune with the requirements of the Company.

In order to sustain the competitive edge, the Company has been taking various initiatives for improving the human resources strength and creating a conducive work atmosphere.

Cautionary Statement

Statements in this management discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry – global or domestic or both, significant changes in political and economic environment in India, applicable statutes, litigations, labour relations and interest costs.

INDEPENDENT AUDITOR'S REPORT**To the Members of INANI MARBLES & INDUSTRIES LTD.****Report on the Financial Statements****Opinion**

We have audited the accompanying financial statements of **Inani Marbles & Industries Ltd.** (“the company”) which comprise the Balance Sheet as at **March 31st, 2022**, and the Statement of Profit and Loss, Statement of Changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by Companies Act, 2013 “the Act” in the manner so required, and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind As”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the Profit and total compressive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the facts and our professional judgment during the audit of financial statements of the current period, We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information as identified above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors' are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting

estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be reasonably expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' to the Independent Auditor's Report of even date to the members of Company on the Ind AS financial statements for the year ended 31 March 2022, we report that;

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to Ind AS financial statements of Inani Marbles & Industries Ltd. ('the Company') as of 31st March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Ind AS Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A company's internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at 31st March 2022, based on the internal controls with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

"The Ministry of Corporate Affairs (MCA) has notified the Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated 30 March 2016. The said notification read with Rule 3(2) of the Companies Accounting Standards) Rules, 2006 is applicable to accounting period commencing on or after the date of notification i.e. 1 April 2016"

2. Basis of Measurement / Use of Estimates

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- (ii) Financial Statements are prepared under the Historical cost convention. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money
- (iii) The preparation of financial statements requires judgments, estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known/materialized.

3. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lacs (upto two decimals) except as stated otherwise.

4. Current and Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or

- Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current. A liability is current when:

- It is expected to be settled in normal operating cycle;

- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-Current. Deferred Tax Assets/Liabilities are classified as non-Current.

III. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

1. Property, Plants and Equipments, Depreciation/Amortization

A. Property, Plants and Equipments

- i) The Property, Plants and Equipments are held for use in production, supply of goods or services or for administrative purposes. They are stated at their original cost net of tax/duty, credits availed, if any, including incidental expenditure related to acquisition and installation less accumulated depreciation. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended and includes borrowing cost capitalized in accordance with the Company's Accounting Policy.
- ii) When parts of an item of property, plant and equipment have different useful lives, they are recognized separately
- iii) Item of spare parts, stand by equipment to and servicing equipment which meet the definition of property, Plant and Equipment are Capitalized.

B. Depreciation

Assets are depreciated using straight line method other than mining equipment which are depreciated using WDV method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual value of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

Depreciation on additions to/deductions from fixed assets during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortised depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

In circumstance, where a property is abandoned, the cumulative capitalised costs relating to the property are written off in the same period.

2. Capital work-in-progress

The Property ,Plants and Equipments not ready for the intended use on the date of balance sheet including expenditure incurred pending for allocation is shown as “capital work-in progress”.

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

3. Borrowing Cost

Borrowing costs that are attributable to the acquisition / construction of qualifying assets are capitalized as part of cost of such asset till such time as the asset is ready for its intended use or sale.

Borrowing cost consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing cost are recognized as expense in the period in which they are incurred.

4. Statement of Cash Flows

Cash flow statement has been prepared in accordance with the Indirect method as prescribed in Ind AS 7 Statement of Cash Flows.

5. Inventories

Inventories are valued at the lower of the cost or net realizable value. The cost of the inventories is assigned by using At Cost Method. Raw Material, Stores & Spares and Packing Materials have been valued at cost. Process Stock is valued at cost, which is determined by taking direct material, labour cost and certain related Factory Overheads, Finished Goods have been determined on full absorption cost basis which includes all direct cost, depreciation etc.

6. Financial instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

7. Revenue Recognition

Revenue from the sale of goods is recognised upon transfer of control of the goods have passed to the buyer, which generally coincides with dispatch. Revenue from export sales are recognized on dispatch from the factory and in accordance with terms and condition of the sale. Revenue from the sale of goods is measured at an amount that reflects the consideration we expect to receive in exchange for those products (i.e. the transaction price). The Company presents revenues net of indirect taxes, returns and allowances. Inter unit transaction reduced from gross turnover in arriving Net Turnover.

Revenue from Job work services is recognised based on the service rendered in accordance with terms of contract.

The Company recognizes other income on accrual basis. However, where the ultimate collection of the same laps reasonable uncertainty, revenue recognition is postponed to the extent of uncertainty.

8. Impairment of Assets

At the end of each accounting year the carrying amount of property, plant and equipment intangible assets and financial assets is reviewed for impairment. Impairment, if any, is recognized where the carrying amount exceeds the recoverable amounts being the higher of net realizable price and value in use. An impairment loss is charged to Statement of Profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

9. Taxes on Income

Income tax expense for the year comprises of current tax and deferred tax. Current tax provision has been determined on the basis of relief, deductions etc. available under the Income Tax Act, 1961 and Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

10. Foreign Currency Transactions and balances

- (i) Foreign currency transactions are recorded at the exchange rate prevailing on the date of the transaction.
- (ii) Monetary items denominated in foreign currencies (such as secured loan, receivables, payables etc.) outstanding at the year end, are translated at exchange rates applicable on year end date.
- (iii) Non-monetary items denominated in foreign currency, (such as plant and equipment) are valued at the exchange rate prevailing on the date of transaction and carried at cost.
- (iv) Any gains or losses due to exchange differences arising on translation or settlement are accounted for in the Statement of Profit and Loss.

11. Provision and Contingencies

The assessment undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets', The evaluation of the likelihood of the contingent events requires best judgment by management regarding the probability of exposure to potential loss. In case of change in the circumstances the following unforeseeable developments, the likelihood could alter.

12. Employee Benefits**(a) Short term Employee benefits:**

All employee benefits falling due wholly within two months of rendering the services are classified as short-term employee benefits. The benefits like salaries, wages, and short term compensated absences etc. and the expected cost of bonus; ex-gratia is recognized in the period in which the employee renders the related service.

(b) Post employment benefits:**i) Defined Contribution Plan**

The Company has Defined Contribution plan for post employment benefit namely Provident Fund, which is recognised by the income tax authorities and administered through appropriate authorities.

The Company contributes to a Government administered Provident Fund and has no further obligation beyond making its contribution.

ii) Defined Benefit Plans

The Company has taken a policy with Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit & Loss Account.

(c) Leave encashment

Based on the leave rules of the company, employees are not permitted to accumulate leave.

(d) Termination benefits are recognized as an expense as and when incurred.**13. Earnings Per Share**

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued

upon conversion of all dilutive potential equity shares. .

14. Dividend distribution to Equity Share holders

Dividend distributed to Equity Share holders is recognized as distribution to owners of capital in the statement of changes in Equity in the period in which it is paid.

15. Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be called cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

16. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognized by the Group are recognized at the proceeds received net of direct issue cost.

17. Estimation of uncertainties relating to the Global Health Pandemic from COVID-19

The Company has exercised due care in determining its significant accounting judgment and estimates while preparing its financial statements including internal controls over financial reporting. As per the current assessment made by the company, there is no material impact on the carrying values of inventory, trade receivables, other financial monetary & non-monetary assets as on the reporting date. However, the final impact may differ from the current estimates made as at the date of approval of financial statements for the year ended 31st March, 2022 considering the prevailing uncertainties.
